

Direction from the scriptures . . .

Prayer is the most simple and profound expression of faith in God. Talking to God, who we cannot see, simply because he commands it and tells us that our praying makes a difference is faith in action. Jesus summarizes a story (Luke 18:1-8) about persistent prayer by asking the provoking question . . . will he find that kind of faith on earth when he comes?

Three principles regarding prayer:

1. Praying is our corporate responsibility.

2 Corinthians 1:10-11

Philippians 1:19

2. Leaders are responsible to mobilize the church to pray.

Romans 15:30-31

Colossians 4:2-4

3. Obedience in prayer requires significant effort.

Ephesians 6:18

Colossians 4:12

Prayer Meetings

All meetings are at the church building. Our desire is to involve more people in prayer in our current prayer structure.
