Your view of God – desire to imitate him.

Your view of self – appreciate your identity.

Your view of life – see life as meaningful.

Challenging behaviors to practice in our
real lives.

Forgive, just like God does.

Love, just like Christ does.

Renew your devotion to God's word, prayer,
accountability, and the Lord's Table.

Ask for help with that issue of forgiveness
loving others sacrificially that you continue
to struggle with and lose.

Humble yourself now before God in saving
faith and repentance.

Worship God with song, prayer and costly,
sacrificial love for people in your life.
